

## Aluminium Alloy Hardware Anti Fall Wire For Modern Office Casement Windows

Our Product Introduction

for more products please visit us on [aluminum-windowhardware.com](http://aluminum-windowhardware.com)

### Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: A1
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: T/T
- Supply Ability: 3000000pcs/mon

### Product Specification

- Warranty: 3 Years
- After-sale Service: Online Technical Support, Onsite Training, Onsite Inspection, Return And Replacement
- Project Solution Capability: Graphic Design, Total Solution For Projects
- Application: Hotel,home,office
- Design Style: Modern
- Type: N/M
- Product Name: Sales Anti-Fall Safety Wire Rope For Window
- Material: Aluminum 6063-T5,Stainless Steel
- Color: Black,Silver
- Usage: Window
- Size: Custom Made
- Function: Fall Protection
- Feature: Convenient
- Packaging: Carton Box

#### Product Description

The durable aluminium alloy hardware anti-fall wire for modern office casement windows is an essential safety component designed to prevent window falls, particularly crucial for high-rise office buildings.

#### Key Features

**Material:** High-quality aluminium alloy (6063-T5) and stainless steel for lightweight yet strong, corrosion-resistant performance

**Function:** Prevents accidental window falls, enhancing building safety

**Durability:** Withstands repeated window operations over extended periods

**Compatibility:** Designed to integrate seamlessly with modern office window aesthetics and hardware systems

**Installation:** Requires professional installation for optimal safety performance

#### Specifications

|                  |                                                          |
|------------------|----------------------------------------------------------|
| Product Name     | Window sash quick install anti-fall stainless steel wire |
| Main Material    | 6063-T5 virgin aluminum, 304 stainless steel             |
| Primary Function | Prevent window sash from falling                         |
| Dimensions       | Custom made according to requirements                    |
