Product Description

Silver Aluminum 6063-T5 Custom Window Anti-Falling Wire for Fall Prevention and Wire Rope

Product Description

This Silver Aluminum 6063-T5 Custom Window Anti-Falling Wire is a specialized safety product designed for fall prevention. Made from high-quality Aluminum 6063-T5 material, it combines excellent properties like corrosion resistance and lightweight durability with the functionality of a wire rope. The silver finish provides both an aesthetically pleasing appearance and additional protection. Custom-made to fit various window types, it serves as a reliable safeguard against accidental falls from windows in both residential and commercial buildings.

Key Features

- Material: Aluminum 6063-T5 and Stainless Steel
- Color Options: Silver, Black
- Function: Window fall prevention
- Custom sizing available
- Modern design suitable for various applications
- 3-year warranty
