Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: A
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 2 Years
- After-sale Service: Online Technical Support, Onsite Training, Onsite Inspection, Return And Replacement
- Project Solution Capability: Graphic Design, Total Solution For Projects
- Application: Hotel,home,office
- Design Style: Modern
- Type: N/M
- Product Name: Aluminum Corner Joint
- Material: 6063-T5 Primary Aluminum
- Color: Primary Colors
- Usage Scenarios: Aluminum Profile Doors And Windows
- Function: Connecting The Corner Of The Door Or Window Spelling
- Feature: Durable And Solid
- Packing: Carton Box
- Surface Treatment: Optional Aluminum Surface / surface

Product Description

Customized Glueable Aluminium Hardware Corner Connector For Doors And Windows

Customized glueable aluminum alloy profile corner connector for doors and windows is a specialized component designed to enhance the structural integrity and aesthetic appeal of doors and windows. These corner connectors are made from high-quality aluminum alloy, known for its durability and resistance to corrosion.

The glueable feature allows for a secure and seamless connection, ensuring stability and longevity. They are customized to fit specific aluminum alloy profiles used in doors and windows, providing a perfect match and seamless integration.
