Product Description

Household Aluminum Casement Window Hinges Black With Screw And Plate

Product Description

Black Window Hinges With Screw And Plate For Household Aluminum Alloy Casement Windows are essential hardware for home windows. These hinges are designed specifically for aluminum alloy casement windows commonly found in households. The black finish gives them a sleek and modern look that can complement various home decors. The included screws and plate ensure a secure and stable installation, allowing the windows to open and close smoothly. These hinges are made of high-quality materials, which provide durability and long-lasting performance. They can withstand regular use and exposure to different weather conditions.
