

Adjustable Heavy Duty Aluminum Hinge 116 Degree Rotation For Modern Door

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 3 Years
- After-sale Service: Online Technical Support, Onsite Training, Onsite Inspection, Return And Replacement
- Project Solution Capability: Graphic Design, Total Solution For Projects
- Application: Hotel
- Design Style: Modern
- Type: N
- Product Name: Hinge
- Material: 6063-T5 Primary Aluminum
- Color: Silver Or Customization Options
- Applications: All Swing Door
- Opening Angle: 0-180 Degree
- Species: Door Hardware
- Packing: Carton Box
- Finish: Oxidation / Sandblasting

Product Description

Warranty	3 years
Packing	Carton Box (300pcs/ctn for small hinges, 200pcs/ctn for large hinges)

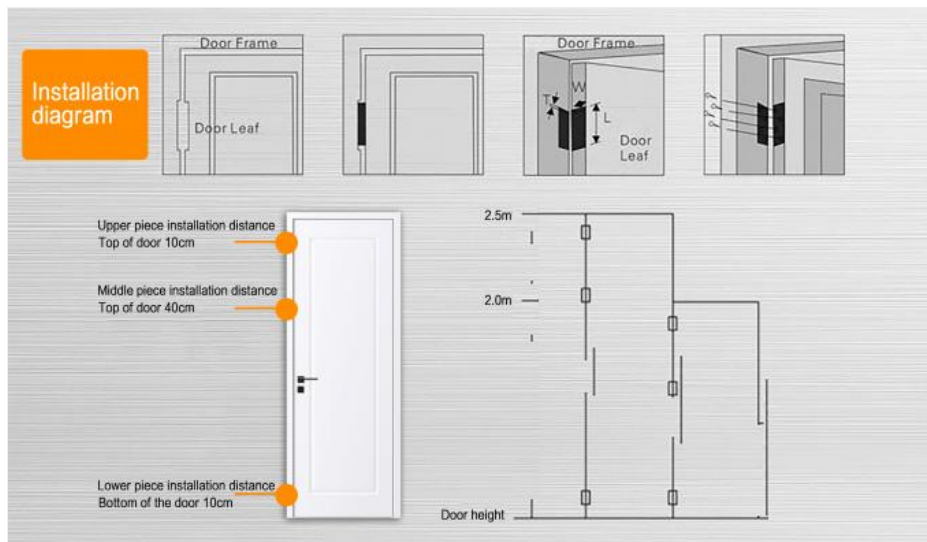

Product Description

The aluminum hinge for doors and windows is a crucial component that combines functionality and aesthetics. Crafted from high-quality aluminum, this hinge offers exceptional durability and corrosion resistance, making it ideal for both interior and exterior applications. It withstands environmental elements like rain, wind, and humidity while maintaining structural integrity.

The lightweight nature of aluminum ensures easy handling during installation without adding excessive weight to doors. Available in various finishes including brushed, polished, or anodized options that enhance aesthetic appeal while providing protection against scratches and wear.

Installation Guide

- Upper piece:** Install 10cm from top of door
- Middle piece:** Install 40cm from top of door
- Lower piece:** Install 10cm from bottom of door
