

## Door And Window Pneumatic Hydraulic Punch Machine 10.4mm Screw Hole

### Our Product Introduction

for more products please visit us on [aluminum-windowhardware.com](http://aluminum-windowhardware.com)

#### Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

#### Product Specification

- Condition: New
- Applicable Industries: Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Retail, Construction Works
- Showroom Location: None
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: Ordinary Product
- Warranty Of Core Components: 1 Year
- Core Components: Bearing, Motor, PLC
- Voltage: 220v
- Weight: 2 Kg, 2.0 Kg (4.4 Lb)
- Warranty: 6 Months
- Production Capacity: 50 Sets/month
- Power: 1000

## Product Description

# Door And Window Pneumatic Hydraulic Punch Machine 10.4mm Screw Hole

## Product Overview

The Portable Door And Window Screw Hole Punch Pneumatic Hydraulic Punch Machine creates precise 10.4mm holes, perfectly suited for screws with 10.5mm heads. This professional tool combines pneumatic and hydraulic power for efficient door and window applications.

## Key Features

- Precision hole size: 10.4 mm (for screw head 10.5mm)
- Ideal for door and window fabrication projects
- Combined pneumatic and hydraulic power system
- Portable design for workshop or jobsite use
- Durable industrial-grade construction
- User-friendly operation

## Technical Specifications

| Attribute             | Value                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------------|
| Product Name          | Portable Hydraulic Pneumatic Punch Machine                                                             |
| Model Designation     | Drilling Tools, Punchers, Double Hole Punchers                                                         |
| Capacity              | 2.1 ton (2.2mm thick) Aluminium, 1.6 ton (2.0mm thick) Mild Steel, 980kg (1.5mm thick) Stainless Steel |
| Type                  | Holes Puncher                                                                                          |
| Air Pressure          | 6-9 bar (0.6-0.9 MPa)                                                                                  |
| Weight                | 3.0 kg (2.1ton Capacity), 2.5kg (1.6ton Capacity), 2.0kg (980kg Capacity)                              |
| Punched Hole Diameter | 10.4mm (for screw head 10.5mm)                                                                         |
| Holes Distance        | Adjustable (<40mm) according to profile                                                                |
| Length                | 330mm (13.0 in.)                                                                                       |
| Exhaust Vent          | Handle                                                                                                 |

## SOME HONORS

## Packaging & Shipping

Standard export packaging: carton box. Custom packaging options available upon request.

## Manufacturer Information

Foshan Xuanqing Door and Window Accessories Co., Ltd. specializes in door and window hardware solutions, including:

- Various corner code systems
- Anti-fall devices

Hinges and curtain wall components

Custom mold solutions

With over ten years of industry experience, we combine innovation with quality manufacturing, holding multiple patents and certifications. Our products meet international standards and serve markets worldwide.
