FAQ

1. Is your company a factory or a trading company? We are a factory. Our company was established in 2014. **2. How can I get samples to check your quality?** After the price is confirmed, you can ask for a sample to check our quality. If you just need a blank sample to check the design and paper quality, we will provide the sample to you for free, as long as you can afford the delivery fee. **3. How long does the whole process take?** For non-molded custom products, the production and processing time is about 3-10 days after you place your order. We need 1 day to prepare everything, and then 2-10 days to produce. For open-molded custom products, the production processing time is about 15 days after you place your order. **4. When will I get a price?** We usually quote within 24 hours after we receive your inquiry. If you really want a price, please let us know, tell us in your email, or add us to your WeChat inquiry so that we can prioritize your inquiry. **5. What is the minimum order quantity?** MOQ = 500 pieces, better price and more quantity. **6. How does your factory do quality control?** Quality is a priority, our staff takes quality control very seriously from the beginning and each product is checked before it is packed.
