

45 Degree Connection Aluminum Corner Connector For Modern Slim Door Or Window

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 3 Years
- After-sale Service: Online Technical Support, Onsite Training, Onsite Inspection, Free Spare Parts, Return And Replacement
- Project Solution Capability: Graphic Design, Total Solution For Projects
- Application: Hotel, home, office
- Design Style: Modern
- Type: N/M
- Product Name: Aluminum Corner Joint
- Material: 6063-T5 Primary Aluminum
- Color: Primary Colors
- Usage Scenarios: Aluminum Profile Doors And Windows
- Function: Connecting The Corner Of The Door Or Window Spelling
- Feature: Durable And Solid
- Packing: Carton Box

Product Description

45 Degree Connection Aluminum Corner Connector For Modern Slim Door Or Window

Product Overview

The Aluminum Corner Connector for Modern Design Slim Door or Window 45 Degree Connection is a high-quality component designed for contemporary architectural applications. Engineered from 6063-T5 primary aluminum, this connector ensures durability, corrosion resistance, and seamless integration with slim-profile doors and windows.

Key Features

- Precision-engineered for 45-degree connections in modern door/window systems
- Constructed from durable 6063-T5 aluminum alloy
- Available with optional surface treatments (aluminum surface or sandblasting)
- Enhances both structural integrity and aesthetic appeal
- Simplified installation process saves time and labor
- Suitable for residential and commercial applications
