

Aluminum Solar Panel Rail Clamps Corrosion Resistant For Solar Brackets System

Our Product Introduction

for more products please visit us on aluminum-windowhardware.com

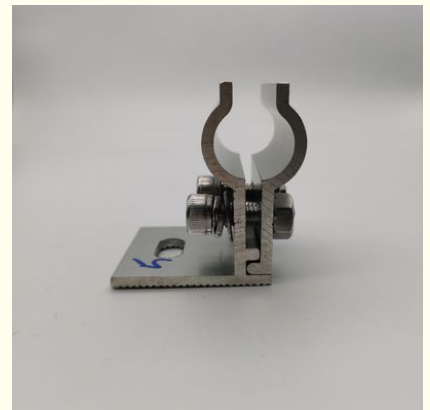

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: Roof Clamp, carport clamp, ground brackets clamp
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 1 Year
- After-sale Service: Online Technical Support
- Project Solution Capability: Graphic Design, Cross Categories Consolidation
- Application: Apartment
- Design Style: Modern
- Type: Solar Panel Mounting Aluminum Rail Connector
- Highlight: Corrosion Resistant Solar Panel Rail Clamps, Solar Brackets System Aluminum Rail Clamps, Corrosion Resistant Aluminum Rail Clamps

Product Description

Aluminum Solar Panel Rail Clamps Corrosion Resistant For Solar Brackets System

Product Specifications

Warranty	1 Year
After-sale Service	Online technical support
Project Solution Capability	Graphic design, Cross Categories Consolidation
Application	Apartment
Design Style	Modern
Type	Solar Panel Mounting Aluminum Rail Connector

Product Description

The Aluminum Solar Panel Mounting Rail Connector is an essential component for solar bracket systems. Manufactured from high-quality aluminum, this connector provides exceptional durability and corrosion resistance for long-term outdoor use.

Key features include:

- Securely joins aluminum rails in solar panel installations
- Weather-resistant construction for all climate conditions
- Suitable for both residential and commercial solar projects
- Available in custom mold configurations

Technical Specifications

Component	Function	Features
Rail	Support and fix solar panels	High strength and corrosion resistance
Mid clamp	Connect and fix solar panels	Aluminum alloy construction for stability
Solar clamp	Fix solar panels	High strength and corrosion resistance
Connectors	Connect various components	Enhances system stability and reliability
Bases	Support the entire system	Aluminum alloy and corrosion-resistant
Aluminum nuts	Fix various components	High strength and corrosion resistance

Manufacturer Profile

Foshan Xuanqing specializes in manufacturing high-quality aluminum accessories for photovoltaic systems, including custom mold configurations for mid clamps and side clamps.

Our production capabilities include:

- 4,500 square meter production facility
- 13 automatic production lines and 36 stamping equipment
- Custom product design and sampling services
- Fast, precise mold development with short production cycles
