

Solar Panel Mounting Aluminium Hardware Rail Connector In Modern Solar System

Our Product Introduction

for more products please visit us on aluminum-windowhardware.com

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: Roof Clamp, carport clamp, ground brackets clamp
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 1 Year
- After-sale Service: Online Technical Support
- Project Solution Capability: Graphic Design, Cross Categories Consolidation
- Application: Apartment
- Design Style: Modern
- Type: Solar Panel Mounting Aluminium Rail Connector
- Highlight: Solar Panel Mounting Aluminium Hardware, Aluminium Hardware Rail Connector, Modern Solar System Aluminium Rail Connector

Product Description

Solar Panel Mounting Aluminium Hardware Rail Connector In Modern Solar System

Product Attributes

Attribute	Value
Warranty	1 Year
After-sale Service	Online technical support
Project Solution Capability	graphic design, Cross Categories Consolidation
Application	Apartment
Design Style	Modern
Type	Solar Panel Mounting Aluminum Rail Connector

Product Description

The Aluminum Rail Connector for Solar Panel Mounting in Modern Design Solar Energy System is a crucial component in solar installations. Made of high-quality aluminum, it offers durability and corrosion resistance. With its modern design, it enhances the aesthetic of solar installations while securely connecting mounting rails to ensure panel stability in various conditions.

This key element in modern solar systems is reliable for both residential and commercial projects. Ideal for rooftop and ground-mounted setups, it helps harness solar power for sustainable energy solutions. **Support mold customization available.**

Quick Details

Material: High-quality aluminum, durable and corrosion-resistant

Design: Modern, enhancing the aesthetic of solar installations

Function: Securely connects solar panel mounting rails for stability

Applications: Suitable for residential and commercial solar projects, including rooftop and ground-mounted setups

Benefit: Contributes to a sustainable energy solution by harnessing solar power

Specification

Accessory Name	Function	Features
Rail	Support and fix solar panels	High strength and corrosion resistance
Mid clamp	Connect and fix solar panels	Made of aluminum alloy, ensuring stability
Solar clamp	Fix solar panels	High strength and corrosion resistance
Connectors	Connect various components	Improve the stability and reliability of the solar mounting system
Bases	Support the entire system	Made of aluminum alloy and corrosion-resistant
Aluminum nuts	Fix various components	High strength and corrosion resistance

Company Profile

Foshan Xuanqing Company specializes in manufacturing aluminum accessories for photovoltaic systems, with capabilities for custom mold production for components like mid clamps and side clamps.

The company operates from a 4500 square meter production base with a fully modern production line, including:

- 13 automatic lines
- 3 ordinary production lines
- 36 stamping equipment

Xuanqing Company offers comprehensive services including product design, sampling, and production according to customer specifications. With independent mold-opening capabilities, they provide fast mold production with high precision and short production cycles.
