

Aluminium Mid Clamp On H Steel For Solar Panel Mounting On Grounding Clips

Our Product Introduction

for more products please visit us on aluminum-windowhardware.com

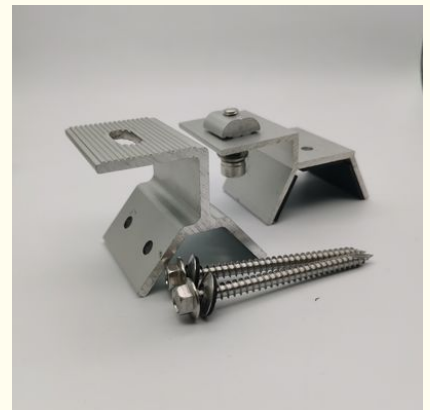

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: Roof Clamp, carport clamp, ground brackets clamp
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

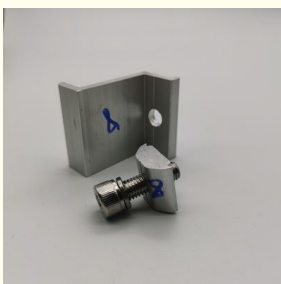

Product Specification

- Warranty: 1 Year
- After-sale Service: Online Technical Support
- Project Solution Capability: Graphic Design, Cross Categories Consolidation
- Application: Apartment
- Design Style: Modern
- Type: Solar Panel Mounting Aluminum Rail Connector
- Highlight: H Steel Aluminium Mid Clamp, Grounding Aluminium Mid Clamp, H Steel Solar Panel Mid Clamp

Product Description

Aluminium Mid Clamp On H Steel For Solar Panel Mounting On Grounding Clips

Product Attributes

Attribute	Value
Warranty	1 Year
After-sale Service	Online technical support
Project Solution Capability	Graphic design, Cross Categories Consolidation
Application	Apartment
Design Style	Modern
Type	Solar Panel Mounting Aluminum Rail Connector

Product Description

The aluminium hardware mid clamp on H steel for solar panel mounting on grounding clips is a crucial component for ground-mounted solar panel installations. Made of high-quality aluminium, this mid clamp is designed to securely attach solar panels to H steel structures. The grounding clips ensure proper electrical grounding for safety. The clamp offers durability and resistance to the elements, providing a stable and long-lasting connection. It is engineered for easy installation and can withstand the rigors of outdoor environments.

Support mold customization

Quick Details

Material: Aluminium

Function: Secure solar panels on H steel with grounding clips

Advantage: Durable, weather-resistant, easy installation

Application: For ground-mounted solar panel installations

Specification

Accessory Name	Function	Features
Rail	Support and fix solar panels	High strength and corrosion resistance
Mid clamp	Connect and fix solar panels	Made of aluminum alloy, ensuring stability
Solar clamp	Fix solar panels	High strength and corrosion resistance
Connectors	Connect various components	Improve the stability and reliability of the solar mounting system
Bases	Support the entire system	Made of aluminum alloy and corrosion-resistant
Aluminum nuts	Fix various components	High strength and corrosion resistance

Company Profile

Foshan Xuanqing Company specializes in manufacturing aluminum accessories for photovoltaic systems. We offer custom mold production for accessories such as mid clamps and side clamps.

Our production facility spans 4500 square meters with a fully modern production line, including 13 automatic lines, 3 ordinary production lines, and 36 stamping equipment. We provide comprehensive services from product design and sampling to production, meeting personalized product demands based on customer specifications and samples. Our independent mold-opening capabilities ensure fast production cycles with high precision.
