

Modern Solar Panel Mid Clamp End Clamp For Renewable Energy

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: Roof Clamp, carport clamp, ground brackets clamp
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 1 Year
- After-sale Service: Online Technical Support
- Project Solution Capability: Graphic Design, Cross Categories Consolidation
- Application: Apartment
- Design Style: Modern
- Type: Solar Panel Mounting Aluminum Rail Connector
- Highlight: **Modern Mid Clamp End Clamp, Solar Panel Mid Clamp End Clamp, Renewable Energy Solar Panel Mid Clamp**

Product Description

Modern Solar Panel Mid Clamp End Clamp For Renewable Energy

Product Specifications

Attribute	Value
Warranty	1 Year
After-sale Service	Online technical support
Project Solution Capability	Graphic design, Cross Categories Consolidation
Application	Apartment
Design Style	Modern
Type	Solar Panel Mounting Aluminum Rail Connector

Product Description

The Modern Design Mid Clamp and End Clamp Solar Panel Mounting System for Renewable Energy is a sleek and efficient solution for installing solar panels. With its modern design, it not only provides a secure hold for the panels but also adds to the aesthetic appeal of the installation. The mid clamp and end clamp work together to ensure stability and durability, even in harsh weather conditions. This mounting system is designed to maximize the energy output of solar panels while minimizing installation time and costs. It is an ideal choice for those looking to embrace renewable energy and make a positive impact on the environment.

Support mold customization

Key Features

Design: Modern

Components: Mid clamp and end clamp

Function: Solar panel mounting system for renewable energy

Advantage: Stylish, secure, durable, efficient

Application: Solar panel installations

Detailed Specifications

Accessory Name	Function	Features
Rail	Support and fix solar panels	High strength and corrosion resistance
Mid clamp	Connect and fix solar panels	Made of aluminum alloy, ensuring stability
Solar clamp	Fix solar panels	High strength and corrosion resistance
Connectors	Connect various components	Improve the stability and reliability of the solar mounting system
Bases	Support the entire system	Made of aluminum alloy and corrosion-resistant
Aluminum nuts	Fix various components	High strength and corrosion resistance

Company Profile

Foshan Xuanqing Company is a company that specializes in manufacturing aluminum accessories for photovoltaic systems. It can customize molds for accessories such as mid clamps and side clamps.

The company has a production base of 4500 square meters and a fully modern production line, including 13 automatic lines, 3 ordinary production lines, and 36 stamping equipment. It has strong production strength. At the same time, Xuanqing Company can conduct product design, sampling, and production according to customers' different needs and provided drawings and samples, meeting personalized product demands. It also has independent mold-opening capabilities with fast mold-opening speed, high mold-opening precision, and a short production cycle.
