Product Description

A Green Double Hung Window Pulley with Plastic Brackets designed as a sliding door and window accessory. This pulley system features a durable green-finished metal pulley wheel paired with lightweight yet sturdy plastic brackets, ensuring smooth and quiet operation for double hung windows. The compact design allows for easy installation on various window and door frames, providing reliable support for sash movement while enhancing the overall functionality of sliding systems. Ideal for both residential and commercial applications, this pulley combines practicality with a sleek, neutral aesthetic that complements most window styles.
