Product Description

Heavy Type Long Piano Hinge Length 12-138 Inches Continuous Hinges with Steel Aluminum Iron Stainless Steel Galvanized Steel

A Heavy Type Long Piano Hinge, available in lengths ranging from 12 to 138 inches, is a continuous hinge designed for heavy-duty applications. This hinge features a seamless, extended structure that provides uniform support and smooth operation for large doors, cabinets, or panels. Crafted from premium materials including steel, aluminum, iron, stainless steel, and galvanized steel, it ensures high durability, corrosion resistance, and load-bearing capacity. The continuous design distributes weight evenly, reducing stress on attachment points, while the diverse material options allow customization for different environments--from industrial settings to residential projects. Ideal for applications requiring long-span stability and reliable performance, this hinge combines robust construction with versatile functionality.
