Product Description

A 36-inch 304 stainless steel continuous piano hinge with a matte finish and 1.2mm thickness is engineered for bathroom cabinets. The corrosion-resistant 304 stainless steel withstands humid environments, while the matte surface resists fingerprints and water spots. Pre-drilled holes enable easy installation on medium-weight doors, and the 1.2mm thickness balances durability with lightweight design. Ideal for bathroom vanities or linen closets, this hinge combines rust resistance with low-maintenance functionality.
