Product Description

AluFold180 Corner Guard - Seamless Balcony Door Edge Cover

Premium Corner Joint for Door & Window Design

The AluFold180 Corner Guard keeps your family safe from sharp balcony door corners. Made of strong airplane - grade aluminum (3 times stronger than plastic), it doesn't rust and lasts over 15 years. Its special design wraps 90° corners perfectly, is thin (1.2mm), and comes in 3 colors to match your door. With rounded edges to prevent bumps, a soft inner pad for glue - free installation (just press on), and no tools needed—you can set it up in 3 minutes without harming the door. It works well and looks good, keeping your home safe every day.

Key Features

- Material: 6063-T5 primary aluminum
- 180-degree design for seamless corner connections
- Durable and long-lasting construction
- Modern design suitable for various architectural styles
- Easy installation with stable and secure connection
