For small order volumes, we can send to you by courier, TNT, DHL, UPS or EMS etc. For large order volumes, we will recommend you to use air or sea freight, through your appointed freight forwarder or our long term partner agent. In case of large volume, the shipping cost will be paid by yourself.

FAQ

1. Is your company a factory or a trading company?

We are a factory. Our company was established in 2014.

2. How can I get samples to check your quality?

After the price is confirmed, you can ask for a sample to check our quality. If you just need a blank sample to check the design and paper quality, we will provide the sample to you for free, as long as you can afford the delivery fee.

3. How long does the whole process take?

For non-molded custom products, the production and processing time is about 3-10 days after you place your order. We need 1 day to prepare everything, and then 2-10 days to produce.

For open-molded custom products, the production processing time is about 15 days after you place your order.

4. When will I get a price?

We usually quote within 24 hours after we receive your inquiry. If you really want a price, please let us know, tell us in your email, or add us to your WeChat inquiry so that we can prioritize your inquiry.

5. What is the minimum order quantity?

MOQ = 100 pieces, better price and more quantity.

6. How does your factory do quality control?

Quality is a priority, our staff takes quality control very seriously from the beginning and each product is checked before it is packed.
